

## INFORMATION LETTER

**Dear colleagues!**

In connection with COVID-19, the 62nd scientific and practical student conference of "Semey Medical University", NCJSC with international participation "**Student science and health**", scheduled for April 24, 2020, has been postponed to may 15, 2020 and will be held online via communication platforms.

In order to participate in the online conference, you must submit an application via online registration at the link: <https://semeymedicaluniversity.kz/nauka/registraciya-na-konferenciyu/62-ya-nauchno-prakticheskaya-studencheskaya-konferenciya-s-mezhdunarodnym-uchastiem-studencheskaya-nauka-i-zdorove-24-04-2020/>

### **Main topics of the conference:**

- 1. Medical and biological sections and Public health.**
- 2. Surgical profile and related disciplines.**
- 3. Therapeutic profile and related disciplines.**
- 4. Poster presentations.**

Young researchers, residents, interns, and talented students of medical Schools can submit their scientific abstracts related to topics above in Kazakh, Russian or English languages. Abstracts are accepted in electronic form until **may 8, 2020** at the following email address: [theses@nao-mus.kz](mailto:theses@nao-mus.kz)

The abstract text should be scientifically, technically and stylistically edited. Requirements for abstracts: Volume 1 page, font type: Times New Roman, font Size 12, line spacing-single. Margins-2.5 cm on all sides. Full page. The title should be formatted as follows: the first line – the name of the work in capital letters in bold, no more than three lines without abbreviations; the second – initials, surname(s), author (s) in bold, the third line-the full name of the institution, city, country in italics and bold. Abbreviations are not allowed. Align the first three lines in the center of the sheet. Then, after one new line, the text of the abstract follows. Align the text of the abstract to the width. The indent of the new line is 1 cm.

The file name is given by the last name of the first author. If several works from the same author are submitted, the file name is "last name of author\_1", "last name of author\_2", and so on.

Abstracts should consist of the following sections:

- Purpose of work
- Research materials and methods
- Research result
- Summary

On a separate sheet, you must specify information about the author (s): full name, first name, patronymic of the author(s), academic degree, title, address of the organization and Department (Department), e-mail, phone number for correspondence. The online conference language is Kazakh, Russian, and English.
